

Terms of Service

Last updated: July 16, 2026

1. Acceptance of Terms

Welcome to TrustLink Africa. These Terms of Service ("Terms") govern your use of the TrustLink platform, including our website at trustlink.africa, mobile application, and all related services (collectively, the "Platform"). The Platform is operated by TrustLink Africa ("we," "us," or "our").

By creating an account, accessing, or using the Platform, you agree to be bound by these Terms. If you do not agree to these Terms, you must not use the Platform.

You must be at least 18 years old to use TrustLink Africa. By using the Platform, you represent and warrant that you meet this age requirement.

2. Description of Service

TrustLink Africa is a verified service marketplace that connects customers with trusted service providers across Ghana. Our Platform enables:

- **Customers** to search for, review, and request services from verified workers
- **Workers** to create profiles, get verified, receive service requests, and grow their reputation
- **Verification** of worker identities, references, and background through our Trust Score system

TrustLink Africa acts as a platform to facilitate connections. We are **not** a party to any agreement or transaction between customers and workers.

3. Account Registration

3.1 Creating an Account

To use TrustLink Africa, you must create an account with a valid email address and password. You may register as a Customer (to find workers) or a Worker (to offer services). You may not create multiple accounts.

3.2 Account Security

You are responsible for maintaining the confidentiality of your account credentials and for all activities that occur under your account. You must notify us immediately at **security@trustlink.africa** if you suspect any unauthorized access to your account.

3.3 Account Accuracy

You agree to provide accurate, current, and complete information during registration and to keep your account information up to date. Providing false or misleading information is grounds for immediate account suspension.

4. Worker Obligations

As a worker on TrustLink Africa, you agree to:

- Provide accurate and truthful information in your profile, including your real name, skills, experience, and location
- Submit genuine verification documents (Ghana Card, references, certificates)
- Respond to service requests in a timely and professional manner
- Deliver services as described and agreed upon with the customer
- Maintain professional conduct and respect customer property and privacy
- Carry valid identification when performing services
- Report any incidents, disputes, or safety concerns to TrustLink Africa
- Comply with all applicable laws of Ghana while performing services
- Keep your availability, pricing, and contact information up to date

Workers who provide false information, engage in misconduct, or receive multiple verified complaints will have their accounts suspended or permanently banned.

5. Customer Obligations

As a customer on TrustLink Africa, you agree to:

- Provide accurate information when requesting services
- Communicate clearly with workers about job requirements, expectations, and payment
- Treat workers with dignity and respect
- Pay workers the agreed-upon amount upon satisfactory completion of services
- Leave honest and fair reviews based on your actual experience
- Report any disputes or issues to TrustLink Africa rather than taking unilateral action
- Ensure a safe working environment for service providers

6. Trust Score and Verification

TrustLink Africa operates a Trust Score system to help customers identify reliable workers. The Trust Score is calculated based on:

- Identity verification (Ghana Card / national ID) — 20 points
- References checked and confirmed — 20 points
- Previous employer confirmation — 20 points
- Customer reviews and ratings — 20 points
- Completed jobs — 20 points

Important: A Trust Score is an indicator, not a guarantee. TrustLink Africa does not warrant or guarantee the performance, reliability, or conduct of any worker. Customers are responsible for exercising their own judgment when hiring workers.

7. Bookings and Payments

7.1 Service Requests

Customers may submit service requests through the Platform. Workers may accept or reject these requests. A booking is only confirmed when the worker accepts the request. Until then, no obligation exists on either party.

7.2 Payments

Payment for services is currently arranged directly between the customer and worker. TrustLink Africa does not process payments at this time. When we introduce payment processing in the future, additional terms will apply and you will be notified.

7.3 Cancellations

Either party may cancel a confirmed booking. We encourage both parties to communicate promptly if a cancellation is necessary. Repeated cancellations may affect your Trust Score or account standing.

8. Reviews and Ratings

Customers may leave reviews and ratings after interacting with a worker. You agree to:

- Leave only honest reviews based on real experiences
- Not leave fake, defamatory, or malicious reviews
- Not offer or accept payment in exchange for reviews
- Understand that reviews are public and permanent once submitted

TrustLink Africa reserves the right to remove reviews that violate these terms, including reviews that are fraudulent, hateful, or contain inappropriate content.

9. Prohibited Conduct

You must NOT:

- Use the Platform for any illegal purpose under Ghanaian law
- Create fake accounts or impersonate another person
- Submit false verification documents
- Harass, threaten, or abuse other users
- Attempt to circumvent the Trust Score system
- Use automated tools or bots to access the Platform
- Collect other users' personal information without their consent
